Sir:

Technology Center 2600

Applicant respectfully petitions that the abandonment of the above-referenced patent application be withdrawn, and prosecution reinstated. The purported abandonment, as discussed below, was apparently due to a loss or miss-handling of a Response and Petition for Extension of Time which were timely filed in the United States Patent & Trademark Office, via certificate of mailing, on July 3, 2002.

An Official Action was mailed to applicant's former law firm on March 4, 2002. A full and complete response, and an extension of time for one month, was filed via a certificate of mailing on July 3, 2002. Copies of this Petition for Extension of Time, and the Response, are attached hereto.

Also attached is a copy of the PTO postcard receipt which lists all of the papers and items which were submitted with the response on July 3, 2002. This postcard is stamped "received" by the OIPE of the United States Patent & Trademark Office on July 9, 2002.

For the Examiner's convenience, copies of all submitted papers are filed herewith.

In view of the fact that the Office Action dated March 4, 2002 was timely responded to, therefore, applicant respectfully requests that the abandonment of this application be withdrawn, prosecution reinstated, and the response of July 3, 2002, appropriately considered on the merits.

Enclosed is a check in the amount of One Hundred Thirty Dollars (\$130.00) as an appropriate petition fee as required by 37 CFR § 1.17. Since, however, this petition is necessitated due to an error on the part of the United States Patent & Trademark Office, a refund in the amount of One Hundred Thirty Dollars (\$130.00) is respectfully requested.

In the event that there are any additional fees due with respect to this paper, please charge Counsel's Deposit Account No. 50-2222.

Respectfully submitted,
